

Michaella MAHORO

Rwanda, Kigali, KK 398 St

+(250) 784512026, mahoromichaella@gmail.com

Personal Profile

I'm driven by my passion for technology and my pursuit of excellence. I have a keen interest in programming and network administration, and I've developed my skills through coursework in Java, C programming, web design, data structures, computer networks, and Linux administration. I excel in challenging environments, where my curiosity and problem-solving abilities come to the fore. Through my academic journey, I've fostered a collaborative mindset and a strong commitment to continual improvement. I'm eager to contribute to innovative IT projects and solutions, ready to make a meaningful impact in the field.
